Why You Should Attend the Cooper's Crossing Annual General Meeting

Joining your community's Annual General Meeting (AGM) is essential for several reasons. Firstly, it keeps you in the loop about local developments, projects, and future plans. AGMs establish direct communication between residents and leaders, promoting transparency and accountability. Moreover, being part of these meetings enables you to express concerns, share ideas, and actively contribute to shaping the community's future. AGMs aren't just gatherings; they're opportunities to strengthen community bonds and collectively work towards improvement.

Save the date for the Coopers Crossing AGM on 30 May 2024 at Coopers Crossing School, with registration starting at 6:30 pm. Meeting 7:00 - 9:00 PM. Discover ongoing efforts to support property values, voice your opinions on future projects, and understand the reasons behind the Board's 2025 fee increase. Remember to bring proof of address for voting. Doors open at 6:00 pm, and all residents are encouraged to attend.

Proxy forms are available on the TownSq app and cooperscrossingresidents.com. See you there!
