CCRA Update Sept 2024

Hello, Cooper's Crossing Residents!

We're excited to share the latest updates from your Cooper's Crossing Residents Association (CCRA).

About Us: The CCRA was formed in 1999 by the Cooper's Crossing Joint Venture and transitioned to resident management in 2016. Today, our volunteer board works to maintain Cooper's Crossing as the best place to live in Airdrie.

What We Do: We partner with the City of Airdrie to maintain parks, landscaping, and holiday lights, as well as organizing community events and planting projects.

Stay Connected: Sign up for our newsletter at cooperscrossingresidents.com and visit TownSq for important updates, payments, and more! For access, contact Gisele at gboisse@cerapm.com.
