Credit Card Payments Returning This Fall

Starting this fall, the Cooper's Crossing Residents' Association (CCRA) will once again offer credit card payment options for HOA fees—both through our website and via TownSq.

Please note:
A service fee will apply to cover the cost of providing this convenience. The CCRA does not profit from this fee—it goes directly toward the third-party processing costs we incur for accepting credit cards.

More details, including how to access this option, will be posted on our website at cooperscrossingresidents.com and in the 2026 Fees Package Mailed to Homeowners in January 2026. Stay tuned!
